Game 23, if necessary, will be played 20 minutes after the conclusion of game 22.

2A

Home teams are pre-determined by seed for games 1-12. For games 13-16 home team is pre-determined. After that, the team that has been home team the least during the tournament (beginning with Game #13) will be the home team. A coin toss will determine home team if both teams have the same seed (games 9-12) or have been the home team an equal number of times (games 17-23).
