Coaches,

The UHSAA is partnered with MaxPreps to provide the UHSAA with the RPI, pitch counts, regular season/region standings, scoreboards on UHSAA.org, stat leaderboards and more. Stats can be sent immediately to local media outlets using MaxPreps' Send Stats feature.

Get started by downloading the MaxPreps app and logging in with the same email/password you use for MaxPreps.com (email Josh Taylor at jtaylor@maxpreps.com with your sport and school if you need access for the first time).
