

Board of Trustees Meeting Summary  
December 15, 2022

1. Chair Jerre Holmes called the meeting to order and welcomed everyone.
2. The Board of Trustees reviewed public feedback submitted through the UHSAA website and discussed letters submitted by member schools. The Board also reviewed notes from the public hearing held on December 14, 2022.
3. The Board met and adopted, through a motion, the consideration of the 2023-2025 alignment.
4. For consideration immediately following an established alignment, any school may apply to a higher classification in a specific sport or activity. Schools will be considered for the requested placement in the January Board of Trustees meeting immediately following an established alignment. Once a school is placed in the higher classification, then the school must remain in the new placement for that specific sport or activity for the duration of the established two-year alignment.
