Home teams are pre-determined by seed for games 1-16. For games 17-22 home team									

is pre-determined. After that, the team that has been home team the least during the tournament (beginning with Game #17) will be the home team. A coin toss will determine home team if both teams have the same seed (games 1-16) or have been the home team an equal number of times (games 23-31).

SPALDING.
