Even though the home school rounds are part of the post season tournament, UHSAA will not receive any revenue and therefore will not pay any expenses. The home school is responsible for paying the umpires. Umpires must be arranged through the ArbiterSports system, please call Jeff Cluff (435) 619-7524 and notify him as soon as possible after arrangements are made.

Ticketing is optional for schools participating in games played at home school sites. All costs (including programs) for home school sites are the schools' responsibility. All games after the home field sites will be eligible for expense reimbursement from the UHSAA.

The principal or assistant principal is responsible for the supervision of their students at all tournament games. Students must be always under adult supervision.

As per the Executive Committee mandate, anyone under the ninth grade may not be on the field or in the dugout.

All ticketing is online via the UHSAA online ticket system GOFAN ticketing.
<https://gofan.co/app/school/UHSAA>

No cash or checks are accepted at the venue site. Student ticket prices are \$5.00 and adult prices are \$10.00. Everyone must have a ticket including bus drivers, photographers, cheerleaders, pep squads and bands. There is no reimbursement for cheerleaders.

There are to be no banners or signs of any kind displayed at the state tournament.

Beginning with the home site games, the official game ball is Wilson and the host school is responsible for baseballs. At the state tournament venue, the UHSAA will provide the baseballs.

Due to the very tight time schedule, pregame infield will only be allowed during the championship series. A time limit of 10 minutes will be allowed for infield and pregame warm-up. More time will be granted if time allows, and the teams will split the extra time equally.

At Utah Tech, UVU, and BYU cages are NOT available before the game and other arrangements will need to be made at these facilities.

Please use the main gates at each of the facilities. Please do not attempt to enter in any other access to the facility.

Halted or Suspended Game

1. A game that has been stopped at any time after its start because of inclement weather, darkness, light failure, or curfew may be continued by mutual agreement reached before the start of the contest by the competing member schools, or according to region or UHSAA state tournament policy, to a predetermined point of completion. Any such game must meet the conditions of each specific sport to be considered a regulation game. A halted game is for special conditions and is not intended to supersede the conditions of a regulation game.
2. (Baseball Specific Language) A halted game must resume play at exactly the point of being halted, with the lineups and batting orders of both teams exactly the same, subject to the rules of substitution; any player (or pitcher) who played, or was announced as a substitute before the game was halted, must be in the lineup when play resumes or be ineligible for the remainder of the game.
3. The Halted-Game Procedure also may be used in non-region games, but this agreement clearly should be understood and mutually be agreed upon by the coaches and directors of athletics of the member schools before the start of the contest. When the Halted-Game Procedure is agreed upon prior to the start of a non-region contest and the contest cannot be finished; the unfinished game becomes "no contest" if the game has not met the conditions of a regulation game.

No Game (baseball specific)

1. "No game" shall be declared by the umpire if play is terminated before five innings have been completed by each team.

Exception 1—If the team's last at-bat is at bat in the last half of the fifth inning and equals, before the completion of that inning, the score of the side first at bat, the umpire shall declare the contest legally tied.

If the team's last at-bat has made more runs at the end of its fourth inning, or before the completion of its fifth inning, than the team's first at-bat has made in five completed innings, the umpire shall award the game to the team's second at-bat; and it shall count as a legal game.

Exception 2—Teams previously have agreed to play by the halted-game rule.

No Contest

1. There shall be no forfeit of a contest until the appropriate contest official has assumed jurisdiction of the contest in accordance with the applicable playing rules.
2. When a team does not appear (e.g., due to weather conditions, accidents, breakdown of vehicles, illness or catastrophic causes), a forfeit is not recorded. A member school shall not, for statistical purposes, declare a forfeit for nonfulfillment of a contract. Such instances shall be considered as "no contest."

b. Suspended Play Procedure

- i. Definition: a suspended game is a contest where the game is stopped because of weather, mechanical, or facility problems.
- ii. Procedure: The point of suspension will be marked in the scorebook and on the umpire's lineup cards. If there is more than one suspension, games will be made in the same order as they were suspended. All games will continue from the point of suspension until the game is completed. Lineups will remain the same as they were at the time of suspension. Tie games are treated as suspended games if both teams have had an equal number of completed turns at bat (UHSAA Handbook).

c. Complete Game

- i. Definition: a complete game is when suspension occurs and the home team is leading the game after 4 ½ innings or the visiting team is leading after five complete innings (4-2-3a).

- d. NFHS rules will be in effect (4-2-3b). If play has gone beyond five full innings, and game is called, and when the teams have not had an equal number of completed turns at bat, the score shall be the same as it was at the end of the last complete inning; except that if the home team in its half of the incomplete inning, scores a run (or runs) which equals or exceeds the opponent's score shall be as recorded when the game is called.
- e. At any time, if both opposing coaches and the umpires agree to end the game, the game may end as a completed game.

- f. Ten run rule is in effect for all tournament games.
- g. Speed up rules for pitcher and catcher will be in effect.
- B. At all fields - teams warming up must do so in the outfield grass, do not warm up around the infield area. Team warm-up/stretching area must take place **near the foul line nearest team dugout (not in centerfield)**.
- C. Parking at UVU will be on the lots north of Brent Brown Ballpark.
- D. Parking at BYU will be in the parking on the north side of Miller Park.
- E. Parking at Utah Tech is on the north side of Bruce Hurst Field.
- F. Each venue will open 60 minutes before the start time of the game.

PITCH COUNT

During competition at Utah Tech, UVU, and BYU; the UHSAA will be responsible for keeping the pitch count. The UHSAA will provide officials stats via GameChanger and the link to the scoring will be located at UHSAA.org/baseball. The home team is still responsible for submission of tournament games in the PitchKount system.
